

BENEFITS OF MEMBERSHIP AND HOW TO JOIN

BENEFITS

- Your business will have access to a platform that allows you the opportunity to influence the direction your industry takes
- Your business can have access to knowledge in market sectors that you may be considering entering
- You will be advised on all issues commercial and statutory that affect your sector
- Many tenders now ask the question “what trade associations are you members of?” ARTSM is the recognised trade association for all traffic signage and related products
- Through our working groups you benefit from the combined knowledge of industry leaders in your sector

CAN YOU DEMONSTRATE

- You are registered to ISO 9001:2015
- You carry adequate Employers Liability and Public Liability Insurance
- You have a robust and active Health & Safety Policy
- You have and operate an Equal Opportunities Policy
- You have awareness of and comply with published standards that apply to your business sectors.
- You have a minimum of two years published statutory accounts

HOW TO JOIN ARTSM

- If you can demonstrate the above criteria, then simply apply to the General Secretary using the online application form
- Once your application has been assessed then an audit will be conducted at your premises
- If no objections are raised from the audit, then membership will follow
